

ANTI-MONEY LAUNDERING AND COUNTER-TERRORIST FINANCING

Mediterranean Renewables SGEIC, S.A.

Mediterranean Renewables SGEIC, S.A. (the “Company”) is committed to the prevention of money laundering and terrorist financing.

In accordance with the provisions of **Law 10/2010 of 28 April on the Prevention of Money Laundering and Terrorist Financing**, and its implementing regulations, the Company has established **appropriate internal policies, procedures and controls** aimed at preventing the Company and the funds under its management from being used for money laundering or terrorist financing activities.

Among other measures, the Company has implemented:

- procedures for **customer identification and due diligence (KYC)**
- systems for the **monitoring and analysis of transactions**
- mechanisms for the **detection and reporting of suspicious activities** to the competent authorities
- **training and awareness programmes** for employees regarding anti-money laundering obligations
- the appointment of an **internal control body and a representative before SEPBLAC**, in accordance with applicable regulations

The Company also applies **ongoing due diligence and monitoring procedures** with respect to its clients, investors and counterparties, based on the level of risk identified.

Mediterranean Renewables SGEIC, S.A. periodically reviews its policies and procedures in order to ensure compliance with applicable regulations and alignment with industry best practices.
